HOMEOPATHIC HEALTHCARE, LLC CONSENT FORM

Homeopathy by philosophy, science and practice does not diagnose or treat disease. The diagnosis and treatment of disease is solely within the license of the medical profession. IF YOU HAVE ANY HEALTH CARE RELATED QUESTIONS, OR YOU KNOW OR SUSPECT THAT YOU HAVE A CONDITION WHICH MAY WARRANT THE CARE OF A LICENSED MEDICAL PROFESSIONAL, YOU SHOULD CONSULT A PHYSICIAN OR OTHER QUALIFIED HEALTH CARE PROVIDER PROMPTLY.

Homeopathy treats underlying weaknesses and susceptibilities to the disease process by assessing through an interview process the state of one's mental, emotional and physical well being. Homeopathy is compatible with and never interferes with most orthodox, complementary or alternative medical treatments, so one may, depending upon circumstances, choose to utilize the benefits of more than one discipline.

Nature of Work Performed by Monique Arsenault, CC:

I, _____, understand that Monique Arsenault, CC is a classical homeopathic consultant who evaluates my entire condition based on a homeopathic approach, and who seeks to assist me to stimulate my body's own healing mechanisms with the use of homeopathic remedies appropriate to my health complaints. I understand that Monique Arsenault, CC is not a medical doctor, has not presented herself as such, and does not seek to diagnose, treat, or prescribe for disease, disorder, or other pathological conditions. I understand that homeopathy is never a recommendation as to how to treat any disease or health related condition and is not to be treated as a medical diagnosis or prescription. Homeopathy is not intended to be a basis for diagnosis or treatment, nor a substitute for evaluation and treatment by a competent, licensed, medical professional. Monique Arsenault, CC does not recommend changes or additions to any current medications or therapies without me personally consulting a qualified medical professional educated in these matters.

I understand that Monique Arsenault, CC may also discuss with me the use of other complementary medicine alternatives to improve my health, and that these are within the scope of her practice to the extent that she incorporates them. I agree that I am interested in enhancing my own abilities to establish health in mind and body. I agree to consult a licensed physician for any medical concern that now exists or arises at any time during the term of this agreement, and to inform Monique Arsenault, CC of my physician's assessment in so far as it applies to my homeopathic case.

Training and Credentials of Monique Arsenault, CC:

Monique Arsenault, CC attended Western Washington University, Bellingham Washington where she completed a BA in Psychology: Personality & Human Behavior, 1995. She went on to study Pre-Med related subjects at Whatcom Community College and in 1999 began her independent study of Homeopathy in the United Kingdom. After classical homeopathic training
